FIGHT FOR THE HOUSE

As a people travail
in the heat of the sun
There is hope in the victory of the Lord.
With a heart that is groaning,
the battle's begun
To recover, redeem and restore.

CHORUS

So we fight for our brothers
And fight for our sons,
Go up for our daughters and wives.
Fight for the house
For the battle's begun
And cry *Victory!*
in the name of our God,
And cry *Victory!*
in the name of our God.

Though the night closes in
we remain on the wall
With a vision that shines like the day.
Though the rubble surrounds us,
not one man shall fall
For together we work and we say...

With a spade in one hand
and a sword at our side
The sound of the trumpet will call.
With our hearts trained for war
as the battle draws nigh
We will fight at our place on the wall.

THE LORD LOVES THE GATES

The Lord loves the gates of Zion.
He dwells in her courts of praise,
In them are stirring
The songs of deliverance.

CHORUS

Walk all around her,
Go through her palaces.
Inscribe what you see
In the hearts of your children.

My lines are in pleasant places,
Oh say to the Lord,
"My heritage is beautiful to me,
Is beautiful to me."

Glorious things are spoken.
Oh city of our great King,
God in His Temple
Is known as a stronghold.

I WILL RUN

With hind's feet on high places
I will run after Thee. (2x)

CHORUS

I will run, I will run,
I will run after Thee,
I will run, I will run,
I will run after Thee.

From glory unto glory,
I will run after Thee. (2x)

I will run the race set before me,
I will run after Thee. (2x)

I will run as though to win,
I will run after Thee. (2x)

THOU SHALT LOVE THE LORD THY GOD

CHORUS

Thou shalt love the Lord thy God
With all thy heart, and soul, and might
And thy neighbor as thyself
Engrave these words upon thine heart.

When thy son shall ask of Thee,
"What do these commandments mean?"
You shall say, "We are alive
Because they taught our hearts to fear."

Make them frame the works of your hands,
Build up the posts of your house.
Guard the vision of your eyes,
Constantly watch at your gates.

Teach when you sit in your house,
Talk when you walk in the way.
Pray at the time that you lie down,
Sing when you rise up in the day.

BLOWS THE WIND

Blows the wind by and by,
Cover me and my brother's love,
Steal my heart from troubled moments,
Wash me clean, wash me clean.

Blows the wind, the Living Spirit,
Fill my sails and take me on,
Deeper still into my Father,
Blows the wind, blows the wind.

Blows the wind, not where it wants to,
But where it must by the Master's hand,
And it takes His faithful to Him,
Back to Him, back to Him.

Come ye wind, blow through my timbers,
Tremble me from branch to root,
Make me strong for the battle,
Come ye wind, come ye wind.

CLEANSE THOU MY HEART OH GOD

Cleanse Thou my heart, oh God,
For Thou alone art able,
To deliver me,
From all my despair,
Save me for Thy great name's sake.

CHORUS

Grace, grace, I cry to Thee.
Grace, shout grace to the Lord.
Save me for Thy mercy's sake.
Encompass me, oh Holy One,
With Thy songs of deliverance.

Make haste to deliver me,
According to Thy word, oh God,
Purge away my sins,
For Thy mercy is good,
Be pleased, oh Lord, to deliver me.

Teach Thou my heart to fear,
For Thou alone art able,
To draw me near,
To Thy throne of grace,
To deliver me for
Thy great name's sake.

I WILL TURN THEIR MOURNING

I will turn their mourning into joy,
And I will surely comfort them
And I will cause them to rejoice
Forevermore,

Weeping may endure yet for a night
But surely joy comes in the morn
Just as surely as the dawn
The dawning of a brand new day.

WATCHMEN

That which survives the sword of Your word,
Is given grace in the wilderness.
You have drawn close with Your kindness and love,
So you rebuild the barren place.

CHORUS

And there'll be watchmen, on that day,
And they will call out, from the hills,
"Arise, let us go up, to the Lord our God."

Now we will come from the ends of the earth,
Blind, halt, and lame, and laboring,
And as our tears are turned into praise,
Shouting out loud, we will return!

Now we will take up our tambourine,
And we'll go out to dance and sing.
Now we will plant our vines on the hills,
And offer fruit for all to eat!

WASH US AND CLEANSE US

Wash us and cleanse us oh Holy One,
Keep us, anoint us, 'till Thy work is done.

Search us and know us oh Holy One,
Clothe us, adorn us, with seeds You have sown.

Lead us and guide us unto Thy throne,
Choose us to enter in, even alone...

COME, YOU BLESSED

Come, you blessed of my Father
Receive the Kingdom as your own;
For what you did in the hidden place
You did before my throne.

Come, you blessed of my Father
Receive the Kingdom as your own;
For what you did to the least one
You did unto the King.

LAY IT DOWN

Unless a grain of wheat
Falls into the earth
And dies, it remains alone.
But if we hate our lives
here on this earth
We'll keep it to life eternal
And bear much fruit.

CHORUS

I lay it down,
No one takes it from me,
So that I might take it up
Another day.
And this is why
My Father loves me
Because I have chosen
To walk this way.

Therefore let us not
Judge one another any more
But determine this
Not to put an obstacle
Or stumbling block
In our brother's path.

When I was younger
I would gird myself
And go where I wanted to
But now that I am older
Another girds me
And takes me
Where I would not.

LAUGHING ARMY

See the laughing army
Dancing in the streets
Singing out the battle cry
With a tambourine.
For the time has now arrived
To possess our land
And proclaim to all the world,
"His Kingdom is at hand." For...

CHORUS

We shall never be the same again.
The army of God
has taken over the land.
The kings of this world
are now the kings of our God.
They rule and reign forever.

See the laughing army,
Sounding out the call
For the sons to rally
To see the final fall,
Of the great whore Babylon,
And her earthly kings
That will never rise again
The laughing army sings. That...

See the laughing army
Sweeping through the earth
As the nation Israel
Quickly comes to birth.
Fighting as His warriors
Ten thousand prophets strong,
With the weapons of their God
A laughing army song. That...

BUILD UP THE HOUSE

Build up the house of the Lord together.
Build up the house of the Lord
With all your heart.
Labor not for those things
That fade away;
Labor one and all for the house.

SING A SONG OF ZION

Sing a song of Zion,
Make way for the King of Kings.
Look, the new horizon
Comes forth in the song we sing.

CHORUS

Our hearts are made for rejoicing,
It's the vision we see that we're voicing,
See the broken hearts mended,
Boundaries extended,
Sons bringing forth a new day.
Sing a new song in Zion,
Joy and celebration,
As we free all creation.

Dance the song of Zion,
Make way for the King of Kings.
Behold a nation follows
Wherever You may lead.

THE DAWN BREAKS BOLDLY

The dawn breaks boldly o'er the land
And God's new day is born,
Revealing Sons who love their God,
Who bring the Kingdom forth.

CHORUS

Sons of God stand at Thy throne.
A nation worships Thee.
Oh, holy people, Israel
Shall rule eternally.

Oh, Lamb of God whose blood has cleansed
And purified the hearts
Of those who stood with Thee as one
Those chosen from the start.

A chosen race of kings and priests
Remind You of your Word.
That You shall have a righteous Bride,
That's holy, true, and sure.

THE LORD IS MY STRENGTH AND MY SONG

The Lord is my strength and my song.
And is become my salvation.
I shall not die but live,
And declare Thy works, oh my Lord.

CHORUS

Great is the Lord!
Mighty is Your Name!
I will pay
My vows unto Thee Lord,
In the courts of Thy house,
In the midst of Thy saints,
In the midst of Thee, Jerusalem.

Thou hast delivered my soul from death,
My eyes from tears, my feet from falling.
I will take the cup of salvation,
And call upon Thy name, oh my Lord.

SEARCH ME OH GOD

Search me oh God,
Let Thy light so shine on me
That I can see in me,
The things displeasing Thee;
Lead me not I pray,
In any place that is away
From Thy presence,
But let Thy light so shine.

For in Thy light I see the light,
For in Thy light no darkness can hide.
I want Thy light to shine on me.
Divide this darkness from me,
Until I become Thy light oh God,
And I will be one with Thee,
For all eternity.

LORD, I BELIEVE

Lord, I believe,
Help my unbelief;
Lord, I receive,
Help my eyes to see,

CHORUS

That You have power over death
and darkness,
That You have power over death
and darkness,
Lord, I believe.

The faithless will be true
And the blind shall see.
The dumb shall speak to you,
And their song will say,

The bitter will be sweet,
And the lame shall walk.
The hardened heart will bow,
And the deaf shall hear,

COME, COME

Come, come, buy from Me,
Gold refined by fire
That you may be rich. (2x)

CHORUS

Behold I stand at the door and knock.
Open let me in. (2x)

Come, come, buy white robes
That the shame of your nakedness
May be hid. (2x)

Come, come, buy from Me,
Salve to anoint your eyes
That you may see. (2x)

THIS IS THE NEW DAY

This is the new day of the kingdom
We lay aside the old,
We see each other by the spirit,
We are each other's wall.

We throw our crowns down at Your feet,
And offer them as one.
We compel the powers that rule this age
To bow before Your Son.

We are a temple made of people
Establishing Thy throne,
We stand together hand in hand,
Making ourselves known.

We throw our crowns down at Your feet,
And offer them as one.
We call Your sheep from Babylon
With joy we see them come.

Nations rise and nations call
To hear Your prophets' voice,
Each one speaks and powers fall,
In Your name they have no choice.

We throw our crowns down at Your feet,
And offer them as one.
The hills resound with a marching beat
It's the kingdom coming forth.

THERE'S A NEW HEARTBEAT

There's a new heartbeat,
Coming from this Nation,
A new heartbeat, tuned in to creation,
A new heartbeat, coming from every street.
It's steady in its cry
for the Sons to be released,
Steady in its cry
for the Sons to be released,
Steady in its cry
for the Sons to be released,
Steady in its cry
for the Sons to be released,
Steady in its cry
for the Sons to be released...

COLORS

In the beginning God said
"Let there be light."
And in that light
He made many colors,
Each one was separate
and called by a name
Given a nature in Him,
the same.

CHORUS

We are colors
From the inside out.
It's God's nature within us
And it's working its way out
We are colors
From the inside out
It's God's nature
Working its way out.

God, He saw
that it was good.
Satan, he never
understood.
And those under his spell,
they don't see so well,
They don't see the colors
as they should.

Green can be envy
or God's new life.
Blue can be self-pity
or His authority.
Yellow is a coward
or God's nature,
perfect and true
Red is anger
or His blood cleansing you.

STRENGTHEN THYSELVES

Strengthen thyself, oh daughters of Zion,
Put on thy zeal as a garment.
Strengthen thyself, oh sons of the most High,
Put on thy zeal as a mantle.

CHORUS

Strengthen thyself in thy God,
Lift up the hands that are weak,
Strengthen thyself,
Oh strengthen thyself in thy God.

The Lord thy God does turn kings' hearts unto thee,
To strengthen thy hands —
to build up the house.
Just as it was with the prophets of old,
They now speak to the house,
to strengthen your hearts.

Wait on the Lord, be of good courage,
And He shall strengthen your heart.
Be of good courage, all that hope in the Lord,
And He shall strengthen your heart.

COME FORTH, COME FORTH

Come forth, come forth from your father's house,
Come forth from all you've known;
A better country waits for you,
Say that you will go.

Step out, step out now and do not fear,
Your journey's just begun;
A Helper waits to guide you on,
Until you're finally done.

Go in, go in to your husband¹ and,
The place has been prepared
A house of promise waits² for you,
And He will meet you there³.

LORD OF THE VALLEYS

Lord of the valleys,
Lord of the night,
A people in darkness
Have seen Your great light.
So we sing in the darkness,
We sing in the light,
Our song drives away
All the birds of the night.

Lord of the valleys,
Lord of the night,
A people in hiding
Offer hearts prepared to fight.
So we sing in the darkness,
We sing as we fight,
Our song pierces through
All the voices of the night.

THE HARVEST HAS COME

The harvest has come
And the seeds you have sown
You will now reap.

He longs to bestow
On you, His son
His joy, so do not weep.

Though the Winter may come,
You're set to go on,
For there will be a Spring.
Though the Winter may come,
You're set to go on,
For there will be a Spring.

WE ARE A FIRE

In all the world there's never been a people
Nor will there ever be again
A mighty nation rising strong and noble
To see an age brought to an end.
Watch now as a people rise up to bring it on!

CHORUS

We are, we are a fire, led by our God's desire
We are more than a conqueror, a nation silent no longer.

A captive land has always been around us,
Ruled by the prince whose power is hate,
But a kindled spark has burst within us,
That can't be stopped, that cannot wait
Watch now as a people rise up to bring it on!

Burning hearts are joining in together
A force so strong all eyes will see
When the last of the captive kingdom
Is released from futility
Watch now as a people rise up to bring it on!

BRING IT ON!

To all the wearied hearts we bring you an answer,
Yes, a nation can be born in a day.
Know little flock that it's our Master's good pleasure,
That by all means we can create a new day.

CHORUS

BRING IT ON! Raise a war cry that the world's gotta hear.
BRING IT ON! Rise up the trumpet's sounding is clear
BRING IT ON! "Well done," He will cry in that hour.
BRING IT ON! As we rise up, see the kingdom of power.

To all the fearful hearts we bring you an answer,
Our King is with us and He will not delay.
To bring about a mighty Kingdom of treasure,
To conquer all things that may stand in the way.

To all the faithful hearts we bring you an answer,
Now is the time to march in battle array.
The land is ours, it is a gift without measure,
Now is the time to come together and say:

WAR, WE SHALL WAR

War, we shall war,
We shall war against the lie of Babylon,
War, we shall war,
We shall war against the lie of Babylon.
And rejoice as she crumbles,
And sing as she dies,
War, we shall war,
We shall war against the lie of Babylon.

Fight, we shall fight,
We shall fight
with the weapons of righteousness,
Fight, we shall fight,
We shall fight
with the weapons of righteousness.
For our weapons are not carnal,
But mighty by the power of our God,
Fight, we shall fight,
We shall fight
with the weapons of righteousness.

Win, we shall win,
We shall win the battle of the ages,
Win, we shall win,
We shall win the battle of the ages.
We'll march as more than conquerors,
And rule from His throne,
Win, we shall win,
We shall win the battle of the ages.

AWAKEN UNTO

RIGHTEOUSNESS

Awaken unto righteousness
Oh saints of the Most High!
Awaken unto righteousness
For He is drawing nigh!

And cry "Enter in! Enter in!
To the joy of thy Master!
Enter in! Enter in!
To life everlasting!"

TURN THE LAMPS UP BRIGHTER

I'll pull my collar closer,
For the night is gettin' cold.
First light drawin' nearer,
As this story's told.
I thought this would be shorter,
But I'm still sittin' here.
Brothers are milling around me,
And I hear their call so clear.

CHORUS

Turn the lamps up brighter,
Trim the wicks to see,
Turn the darkness lighter,
So that He can see me.
Illuminate the footpath,
That He is walkin' on,
And join in this procession,
That's gonna lead into the dawn.

So we turned our flames up higher,
And the oil began to flow,
But some commenced to sputter,
And others wouldn't glow.
Shouts went up around me,
"Lend me some lamp oil,
My bowl is dry, and my flask is done"
And I hear that call again.

The crowd began to thin,
As we went out to Him.
Some had to go to town for oil,
Their lamps were far too dim.
As sorry as I was to see them,
Leavin' at this hour,
I couldn't lend my oil out 'cause

I'VE GOT GLORY

Oh, it's good to know that we
Are finally set free,
By the birth of the Father in His sons.
And now we are enjoying
The blessing of His wellspring
As we move in the oneness of His Son.

CHORUS

I've got glory comin' at me from
both sides.
I've got glory flowin' over me in tides.
I've got glory shinin' on me like
sunshine, it seems
And it's You, my Father, beloved guide.

We speak His Word throughout the land
As we sit at His right hand
Our names are written in the book
with His blood.

As we move in unity,
We shall set the captives free
And we long to hear the words,
"Well done, my son."

HE WHO DWELLS

He who dwells in the shelter
of the Most High,
Will abide in the shadow
of the Almighty.
I will say to the Lord,
my refuge, my fortress,
My God, in whom I trust.

You will not fear
the terror by night,
Nor the arrows
that fly by day,
You will be kept
securely on high,
In the Lord,
your dwelling place.

A LILY

A lily
In the midst of thorns,
The King of Kings
Adorns you.
Your feet are cleansed
As you walk,
Loving Him
Who found you.

CHORUS

You are called
To do His will,
On the land
Beneath your feet.
The Lord delights
In this land,
It is called
Married...

A lamb
In the midst of wolves,
The Lord of Lords
Surrounds you.
Your feet are cleansed
As you walk,
Trusting Him,
Who found you.

THY SONS SHALL COME FORTH

This our triumphant song:
Father, thy sons shall come forth!
This our groaning all day long:
Father, Thy sons shall come forth!
The old age is dying;
Thy Kingdom we see.
Now cleanse us and clothe us
To glorify Thee!

SEEING WE ARE ENCOMPASSED

Seeing we are encompassed about
By so great a cloud of witnesses
On the left and the right,
And we do not fight alone.

CHORUS

Onward then we've trod.
We are the Kingdom of God,
Born to bring down Babylon,
Born to bring a new age on.
We are His righteousness,
We are His righteousness,
We are His righteousness.

All creation travaileth
To see us be revealed,
To set them free from futility
God's sons have all been sealed.

Having therefore this promise,
We lay aside ev'ry sin.
Cast off the weights
and contend for the faith,
And let us fight to win.

WAIT FOR THE LORD

Wait for the Lord,
all you who are righteous,
Despise not the wicked,
for they have their reward;
Wait for the Lord,
all you who are righteous,
Despise not the wicked,
for they have their reward.

But you shall ride
on the heights of the earth
And taste of things not seen or heard.
You shall declare
the greatness of the Lord,
Wait, oh wait for your reward.

SHOUT PRAISE TO GOD OUR LORD

Shout praise to God our Lord,
All ye, His people.
Trumpets blow with one accord;
Shout praise ye people!
Rise, arise, your light is here!
Who can stand; His strength they fear.
Vict'ry, oh vict'ry, you are near.
We are the sons of God.

Make way for this, His day,
All ye, His people.
Captured banners we display;
Shout praise ye people!
Run the race and climb the wall!
Babylon, prepare to fall!
Shout we the final battle call,
All ye the sons of God.

LORD, THOU GREAT REDEEMER

Lord, Thou great redeemer,
Righteousness and purity
Belong unto Thee;

Only Thou art holy,
Only Thou art merciful
So full of love and grace.

ASCRIBE TO THE LORD

Ascribe to the Lord, oh sons of the mighty,
Ascribe to the Lord glory and strength.
Ascribe to the Lord glory due His name
Worship the Lord in holy array!

BRING FORTH THE DAWN

Bring forth the dawn,
For the time has now come
That all mourning and weeping
be cast away.
Create anew as you speak forth the Word,
For we're pressing into a new day.

CHORUS

Shout at the walls
that stand in your way
And rejoice as you see them fall.
Lift up your eyes and behold a new day
Where we live by a trumpet call.

Oh sons, rejoice for the Word has now come
That will bind and will loose
and will set you free.
Leave all behind, for the Word
has now come
that will create a purity.

Bring down the faith
that contains a new age
And displaces the vision of yesterday.
New expectations are filling our hearts
For we're pressing into a new day.

BEHOLD, BLESS YE

THE LORD

Behold, bless ye the Lord,
all ye servants of the Lord,
Which by night stand
in the house of the Lord.

Lift up your hands in the sanctuary,
and bless the Lord.
The Lord that made heav'n and earth
bless thee out of Zion.

WE KNOW WHO WE ARE

Before us the land,
put in our hand
We're the heirs of the promises of God.
Behind us is strewn
judgment and ruin
See it fall in the way we have trod.

CHORUS

For we know who we are
Yes, we know who we are
We're the sons and the daughters
of the King.
United we stand, taking the land
We're the sons and the daughters
of the King.

With hands trained for war,
we go on before
To bring down the giants in the land.
By His Word we are led,
with Christ as our head
We will fight and we'll not know defeat.

With the first fruits revealed,
the judgment is sealed
On the head of the gods of this world,
For as we come near,
they shrink back in fear
They are slain by the Word that we speak.

Our captain has called
to rush on the wall
We will fight with a rage of a lion.
As we storm through the gates,
we set it ablaze,
It will burn with a flame without end.

WELL, HE Poured HIMSELF OUT

Well, He poured Himself out,
even unto the death,
And it's written of us,
likewise shall we do.
For we love not our lives,
even unto the death,
But we serve our Lord unlimitedly.
For we serve our Lord unlimitedly.

And who are these
clothed in white robes?
Where have they come from?
My Lord, You know.
These are the ones come
out of great tribulation.
They have washed their robes
in the blood of the Lamb.
They have washed their robes
in the blood of the Lamb.

For this reason they stand
before the throne of God.
And they serve Him day and night
within His temple.
They shall hunger no more,
neither thirst any more,
For the Shepherd will guide them
to waters of life.
For the Shepherd will guide them
to waters of life.

WE ASK FOR

We ask for our children,
We call them by name,
We commit them to the Father,
In Jesus' name.
May they not be downtrodden,
May they not be ashamed,
As they stand before the Father,
In Jesus' name.

I WILL NOT FEAR

I will not fear,
for You have set Your love on me,
And I will not turn back.
With my eyes on the prize
of being one with You forever,
Your blood brings me nearer.
And I will not turn back.

CHORUS

Your lovingkindness is better than life
And your mercy endureth forever and ever
I will not leave the One who has set His love

So strongly on me.

I will not fear,
even though You slay me,
For You'll never leave me.
Nothing can separate me, Lord, from You
Not life, nor death; You'll not forsake me.
And I will not turn back.

BLESSED BE THE LORD GOD

Blessed be the Lord God, who also is my King,
I am a bonds slave to the Lord of Lords.
My mind, the heavens of Your throne,
My flesh beneath Your feet,
My earth, a footstool for the Lord my King.

CHORUS

I have been purchased by Your holy blood,
I will rejoice and abide in Your love,
You have redeemed me and called me by name,
'Unto You Lord, I bow,
Over me You do reign.

Blessed be the Lord God,
Who ransomed me from death,
You bought me with a price and I am Yours.
My mind becomes Your mind, oh God,
My ways become Your ways,
I am a bonds slave to the King of Kings.

I WILL AWAKEN THE DAWN

I will awaken the dawn,
I will awaken the dawn,
With my harp and my lyre
I will sing a new song.
Awake, my glory!
Awake, my glory!
I will sing, I will sing,
I will sing praises.

I will sing a new song,
I will sing a new song,
With my harp and my lyre
I'll awaken the dawn.
Awake, my glory!
Awake, my glory!
I will sing, I will sing,
I will sing praises.

SO, LIFT HIGH THE BANNER

So lift high the banner of love,
Hallelujah!
Sound the trumpets of war,
Christ has given us the victory,
Hallelujah!
Jericho must fall!

In the name of God the Father,
In the name of Jesus His Son,
And in the name of the Spirit,
We will fight 'till we are called one!

I HAVE FOUND YOU

CHORUS

I have found You,
Faithful Oh Lord,
Faithful unto me.
I have found You,
Faithful Oh King,
Complete this work,
This work in me.

My heart is fixed, Oh Lord,
I will praise Thee,
My mind is set, Oh Lord,
To give Thee thanks.
No matter how You deal,
We see You faithful,
For we are holding fast to Thee.

Thy lovingkindness, Lord,
Reached the heavens,
And now it reaches where we stand.
And though You give, and choose
To take away,
We will not cease to bless your name.

AS THE EYES OF A SERVANT

As the eyes of a servant look,
Unto his master's hand.
As the eyes of a maiden look,
To please her mistress,

CHORUS

So... my eyes look to You,
My eyes look to You,
Gracious Master, Lord and King,
We serve You wholly.

At the time when love is tried,
When gold He purifies,
Stand by me, and let me see,
His word alive in me.

TODAY, THIS REDEEMED

Today, this redeemed
By Your blood comes forth
To enter in boldly unto you
And I bow my heart
And I worship at Your throne
For Your grace availed to me
I do receive.

CHORUS

To give You
Glory and honor
and power and praise
Riches and wisdom
and blessing and strength
For Thine is the kingdom
and power and glory
Forever.

Today, this one ransomed
From out of the earth
Enters in boldly unto You
And I offer up my life
In obedience to You
For Your strength availed me
I do receive.

Today, this one granted
With eyes to see
Enters in boldly unto You
I will sing eternally
My thanksgiving unto thee
For your power unto me I do receive.

CLEANSE MY HEART

You alone can understand
A heart as hard as stone,
And make it soft again.
You alone can forgive,
Forget the way I've been
At any time
When I cry...

Cleanse my heart,
Cleanse my heart.
Make straight my way;
Cleanse my heart.

You alone are faithful;
You will mend the reed,
Nurse the dying wick to flame again.
You alone are merciful,
You can show Your grace
To anyone
When they cry...

FOR THE LAMB

For the Lamb, Who is in the midst
Of the Throne, will be their Shepherd.
And He will guide them to the Springs
Of the waters of Life

And God will wipe every tear
From their eyes

And they shall cry, "Amen
Glorify the Living God
Alleluia, sing unto His name,
Forevermore."

And they shall cry, "Amen
Glorify the Living God
Alleluia, sing unto His name,
Forevermore.
Alleluia . . ."

LORD OF THE HARVEST

I will sing to the Lord of the harvest,
I will sing to the Lord of this day,
I will bring to Him thanksgiving and praise,
For we only give Him our best.
We only give Him our best.

All our hopes and dreams are found in Him,
All our cares are lost in His presence,
As we weep for joy all people are blessed,
For our hearts are singing within.
For our hearts are singing within.

THE BATTLE BELONGS TO THE LORD

In heavenly armor we'll enter the land,
The battle belongs to the Lord.
No weapon that's fashioned against us
shall stand,
The battle belongs to the Lord.

CHORUS

We sing glory, honor,
Power and strength to the Lord,
We sing glory, honor,
Power and strength to the Lord.

The power of darkness comes in
like a flood,
The battle belongs to the Lord.
He's raised up a standard; the power of
His blood,
The battle belongs to the Lord.

Though the enemy presses in hard,
do not fear,
The battle belongs to the Lord.
Take courage, my friend, your redemption
is near,
The battle belongs to the Lord.

THANKS BE TO GOD

CHORUS

Thanks be to God,
Who leads us in His triumph!
Thanks be to God,
Who's got the victory! (2x)

We have overcome the world
By the blood of the Lamb,
And loving not our lives
Even unto death.
The word of our testimony
Tells the world about His love,
As we shout unto the nations,
"He is coming back!
Oh, He is coming back!"

Through the blood of our Savior
We are set free from the curse,
Jesus is the one and only
Lasting sacrifice!
He has conquered Satan's power
No more shall we be ashamed,
Just as He defeated death,
We shall do the same,
Oh, we shall do the same.

THERE IS GREAT HOPE

There is great hope in His name;
There's power to heal
the sick and the lame;
He will mend the broken reed;
Nurse a dying wick to flame.
There is great, great hope,
There is great, great power,
There is great hope and power
In His name.

NO MORE SORROWS

Many a time I've despaired for the end,
To the broken hearts crying around me and then,
Weary, yet moving, but wondering when
I'll touch them and all their hearts mend.

CHORUS

No more sorrows, no more wandering
Touch them, touch those
Hearts that long to be free.

Though many a time I just could not go on
I'd look for an answer to tell me I'm strong
Heal all my heartaches, don't leave me alone,
Just touch them and call them your own.

The world is out looking for what I have here,
A treasure, unmeasured, I must draw them near,
Silence is ending the end of all fear,
So touch them and cry 'till they hear.

HEAR THE SOUND

Hear the sound of trumpets in the distance,
Hear the sound of many marching feet.
Hear the sound of the Lord's great army
Trampling every foe that they meet.

Hear the sound of singers in the forefront;
With songs of praise they're worshipping
the Lord
They shall conquer everything that falls in
their path
With a song and the spirit of the Lord.

BRETHREN, COME SEE

THE TOMB

Brethren, come see the tomb
where Jesus lay,
That stone's been rolled away,
That stone's been rolled away,
Death cannot hold Him,
much less the grave
Since that stone's been rolled away.

And now He's risen,
And now He's reigning,
And from within my heart
I'm singing songs of praise,
And now He's risen
And now He's reigning,
Since that stone's been rolled away.

Lord roll that stone away,
Release me from this grave
Make this hardened heart of mine
Soft as potter's clay,
And oh Lord, shed abroad,
That precious love of God,
Oh Lord, roll that stone away.

LET THERE BE LOVE

Let there be love shared among us,
Let there be love in our hearts,
May now Your love sweep this nation,
Cause us, oh Lord, to arise,

Give us a fresh understanding,
A brotherly love that is real,
Let there be love shared among us,
Let there be love.

STAND FAST

CHORUS

Stand fast in the liberty,
Wherein Christ Jesus hath set us free,
Take every thought into captivity
Stand fast in the liberty.

Though we stumble, we yet shall arise;
We'll forsake all the enemy's lies;
God will surely answer our cries
As we stand in the liberty.

Jesus has proclaimed the year of release;
Now we can walk in love, joy and peace;
The bondage of sin and death shall cease
As we stand in the liberty.

Now we behold with an open face;
The One who's called us by His
glory and grace;
From glory to glory a change takes place
As we stand in the liberty.

I WILL ARISE

CHORUS

I will arise and enter in,
To the house of the Lord,
I will arise and enter in,
To the house of the Lord.

For He has called me,
Out of this world,
Into a holy place.
And I have chosen,
To be separate,
And I will see His face.

THOU MIGHTY CHRIST

Thou mighty Christ, come forth in me,
My will, my way, I yield to Thee.
The barren sing a travailing song,
Oh praise His name, it won't be long!

Rise up ye Sons, ye men of war,
The day has come; the night is o'er.
Our God has said, "Victory's with Me!"
We'll take our land from the enemy.

THROUGH THE TESTS

CHORUS

Through the tests, through the trials,
Through every dark mile,
In the depths of despair
I, the Lord, am always there.
When in the valley, be still,
And wait, for I shall fill thee
With new strength and new courage
To press on all the way.

Many valleys ahead to walk through,
Many mountains and hills to be climbed,
In the darkness I cry,
For the help of the Most High,
I need Thy strength, I need Thy life
To see me through.

Many shakings ahead to stand through,
Many breakings and tests to endure,
And though some fall away,
Oh Lord keep me in Thy way,
I need Thy strength, I need Thy life
To see me through.

A FOUNTAIN SPRINGING UP

CHORUS

A fountain springing up
A river flowing out
And whosoever will may come
The waters that I give you
Are springing up within you
And you will never thirst again.

A fountain springs up in the valley,
Waters deep and crystal clear,
My love for you is like that fountain,
All my springs are in you.

The fountain flows into the river,
Living waters running deep,
The current's moving is so strong
That it will flow eternally.

And as we drink these living waters
Our roots together go down deep,
And we'll bear fruit in every season
'Cause we are planted like a tree.

MOVE A LITTLE CLOSER

Move a little closer,
Where the fire is burning,
Move a little closer,
Where God makes His man,
Fear not the burnings,
But yield unto them, for only the fire
Will purify this man.

God's holy city,
Coming down from above,
Clear as crystal
With the glory of God,
Fear not the testings,
Fear not the trials, only the fire
Will purify this man.

IF YE THEN BE RISEN

If ye then be risen with Christ,
Seek those things which are from above;
Set your affections on things on high,
Not on earth;
For ye are dead and your life is hid
In Christ who is in our God;
When He shall appear,
We shall appear with Him in glory.

We'll be glorified,
We'll be glorified,
When He shall appear,
We shall appear with Him in glory;
We'll be glorified,
We'll be glorified,
When He shall appear,
We shall appear with Him in glory.

PEOPLE OF GOD IT IS TIME TO ARISE

CHORUS:

People of God, it is time to arise
And proclaim to creation, "We're not going to die."
Let it ring from the valleys and mountains so high,
God's people proclaiming, "We're not going to die!"
All heaven's rejoicing, now hear them all sing,
"Grave, where's thy victory and death, where's thy sting?"

The saints of the centuries have all come to pass
With each one fulfilling their God-given task.
But to the Sons God has spoken, and we witness His cry.
"Proclaim to Creation, you're not going to die!"

Now the prophets of old had a line that they laid
And though they were steadfast, these all died in faith.
But they spoke of a people who would one day arise
And proclaim to creation, they're not going to die.

Take courage now brethren, close in your ranks.
Stand on the promise, giving God thanks.
For Satan will fight us, or surely will try,
But he can't beat a people who are not going to die.

WE SHALL NOT ALL

SLEEP

Though there be battles,
Though there be loss,
We're not afraid,
We've counted the cost.
With the armor of God
To the right and the left,
Our captain is Christ,
Our enemy death,
And the saints of all time,
Are cheering us on.

CHORUS

We shall not all sleep,
But we shall be changed;
In a moment,
In the twinkling of an eye,
The last trumpet shall sound,
And the dead shall be raised,
Incorruptible,
And death, and the grave,
Are swallowed in victory,
And God, yes our God,
Shall fill all in all.

We're not without hope,
Not without hope,
Not without joy,
Not without power,
Not without faith,
Not without grace,
Not without strength
To finish the race;
We're not without help,
Our help is the Lord.

WE SHALL BE CHANGED

I'll show you a mystery; (echo)
We shall not all sleep; (echo)
But we'll be changed to His image; (echo)
In the twinkling of an eye.

CHORUS

We shall be changed;
We shall be changed;
We're going to be changed from mortal
To immortality,
In the twinkling of an eye.

The trumpet shall sound; (echo)
The dead shall be raised; (echo)
And we shall be immortal; (echo)
And death is swallowed up in victory.

CHORUS II

Oh death, where is thy sting?
Oh death, where is thy sting?
Oh grave, where is thy victory?
Oh death, where is thy sting?
Death is swallowed up in victory.

THOU LORD HATH SPOKEN

Thou Lord hath spoken,
"Let there be light!"
And as one man oh Lord we turn to Thee.
We now are seeing
Your glory and might
And in Your presence Lord we long to be!

CHORUS

For Thine is the kingdom
And Thine is the power
And all glory forevermore
For we exalt Thee,
Bow down before Thee,
Emmanuel, Thou King of Kings

Thou Lord hath established
Thy name on high
And by Thy power
Draw Thy sons to Thy throne
Father forever, most glorious we die
To live a life that's found in Thee alone!

Thou Lord hath determined
In Thy great plan
To have a people called
by Thy holy name.
Washed and made ready
By the blood of the Lamb
A bride made spotless
by Thy raging flame.

WORTHY IS THE LAMB

CHORUS

Worthy is the lamb that was slain
The Lion of the tribe of Judah
He has won, He has overcome,
Forever, Amen.

Our salvation is due to our God
Who is seated on the throne.
And to the Lamb, to Them
We owe our deliverance.

Out of great tribulation
Are these come and washed their robes
And made them clean and white
In the precious blood of the Lamb.

He who sits on the throne will protect
And spread His dwelling
Cover and shelter them
With His holy presence.

THE SOLID ROCK

My hope is built on nothing less
Than Jesus' blood and righteousness;
I dare not trust the sweetest frame,
But wholly lean on Jesus' name.

CHORUS

On Christ, the solid Rock, I stand;
All other ground is sinking sand,
All other ground is sinking sand.

When darkness seems to hide His face,
I rest on His unchanging grace;
In every high and stormy gale,
My anchor holds within the veil.

His oath, His covenant, His blood
Support me in the whelming flood;
When all around my soul gives way,
He then is all my hope and stay.

When He shall come with trumpet sound,
Oh, may I then in Him be found;
Dressed in His righteousness alone,
Faultless to stand before the throne.

HIGHER GROUND

I'm pressing on the upward way,
New heights I'm gaining ev'ry day;
Still praying as I'm onward bound,
"Lord, plant my feet on higher ground."

CHORUS

Lord, lift me up and let me stand,
By faith, on heaven's tableland,
A higher plane than I have found;
Lord, plant my feet on higher ground.

My heart has no desire to stay
Where doubts arise and fears dismay;
Tho' some may dwell where these abound,
My prayer, my aim is higher ground.

I want to live above the world,
Tho' Satan's darts at me are hurled;
For faith has caught the joyful sound,
The song of saints on higher ground.

I want to scale the utmost height
And catch a gleam of glory bright;
But still I'll pray till heav'n I've found,
"Lord, lead me on to higher ground."

MORNING HAS BROKEN

Morning has broken,
Like the first morning.
Blackbird has spoken,
Like the first bird.
Praise for the singing,
Praise for the morning,
Praise for them springing
Fresh from the Word.

Sweet the rain's new fall,
Sunlit from heaven.
Like the first dewfall,
On the first grass,
Praise for the sweetness,
Of the wet garden
Sprung in completeness,
Where His feet pass.

Mine is the sunlight,
Mine is the morning,
Born of the one light,
Eden saw play,
Praise with elation,
Praise every morning,
God's recreation
Of the new day.

LEAD ON,

OH KING ETERNAL

Lead on, oh King Eternal,
The day of march has come;
Henceforth in fields of conquest
Thy tents shall be our home:
Through days of preparation
Thy grace has made us strong,
And now, oh King Eternal,
We lift our battle song.

Lead on, oh King Eternal,
Till sin's fierce war shall cease,
And holiness shall whisper
The sweet amen of peace;
For not with swords' loud clashing,
Or roll of stirring drums;
With deeds of love and mercy
The heav'nly kingdom comes.

Lead on, oh King Eternal,
We follow, not with fears;
For gladness breaks like morning
Where'er Thy face appears;
Thy cross is lifted o'er us;
We journey in its light:
The crown awaits the conquest;
Lead on, oh God of might.

OH FOR A THOUSAND TONGUES

Oh for a thousand tongues to sing
My great Redeemer's praise.
The glories of my God and King,
The triumphs of His grace.

My gracious Master and my God,
Assist me to proclaim,
To spread through all the earth abroad,
The honors of Thy name.

Jesus! the name that charms our fears,
That bids our sorrows cease;
'Tis music in the sinner's ears,
'Tis life, and health, and peace.

He breaks the pow'r of canceled sin,
He sets the prison'r free;
His blood can make the foulest clean;
His blood availed for me.

Hear Him, ye deaf; His praise, ye dumb,
Your loosened tongues employ;
Ye blind, behold your Savior come;
And leap, ye lame, for joy.

WHAT A FELLOWSHIP

What a fellowship, what a joy divine,
Leaning on the Everlasting Arms!
What a blessedness, what a peace is mine,
Leaning on the Everlasting Arms!

CHORUS

Leaning, leaning,
Safe and secure from all alarms;
Leaning, leaning,
Leaning on the Everlasting Arms.

Oh how sweet to walk in this pilgrim way,
Leaning on the Everlasting Arms!
Oh how bright the path grows from day to day,
Leaning on the Everlasting Arms!

What have I to dread, what have I to fear,
Leaning on the Everlasting Arms!
I have peace complete with my Lord so near,
Leaning on the Everlasting Arms!

TAKE ME IN

Take me past the outer courts
Into the Holy Place
Past the Brazen Altar
Lord I want to see Your face.
Pass me by the crowds of people
The priests who sing Your praise
I hunger and thirst for Your righteousness
And it's only found one place...

Take me in to the Holy of Holies
Take me in by the blood of the Lamb
Take me in to the Holy of Holies
Take the coal, cleanse my lips, here I am.
Take the coal, cleanse my lips, here I am.

FAITH IS THE VICTORY

Encamped along the hills of light
Ye Christian soldiers, rise
And press the battle 'ere the night
Shall veil the glowing skies
Against the foe in vales below
Let all our strength be hurled
Faith is the victory, we know
That overcomes the world.

CHORUS

Faith is the victory
Faith is the victory
Oh, glorious victory
That overcomes the world!

On every hand the foe we find
Drawn up in dread array
Let tents of ease be left behind
And onward to the fray
Salvation's helmet on each head
With truth and girt about
The earth shall tremble 'neath our feet
And echo with our shout.

His banner over us is love
Our sword the Word of God
We tread the road that saints above
With shouts of triumph trod
By faith they like a whirlwind's breath
Swept on o'er every field
The faith by which they conquered death
Is still our sword and shield.

To him that overcomes the foe
White raiment shall be given
Before the angels he shall know
His name confessed in heav'n
And onward from the hills of light
Our hearts with love aflame
We'll vanquish all the hosts of night
In Jesus' conquering name.

IT IS WELL

When peace, like a river,
attendeth my way,
When sorrows like sea billows roll;
Whatever my lot,
Thou hast taught me to say,
It is well, it is well with my soul.

CHORUS

It is well, with my soul
It is well, it is well with my soul.

Though Satan should buffet,
though trials should come,
Let this blest assurance control,
That Christ hath regarded
My helpless estate,
And hath shed His own blood for my soul.

My sin! O the bliss
of this glorious thought,
My sin! Not in part, but the whole,
Is nailed to His cross
And I bear it no more,
Praise the Lord, praise the Lord,
oh my soul!

And, Lord, haste the day
when the faith shall be sight,
The clouds be rolled back as a scroll,
The trump shall resound
And the Lord shall descend,
Even so, it is well with my soul.

OH THE DEEP, DEEP

LOVE OF JESUS

Oh the deep, deep love of Jesus,
Vast, unmeasured, boundless, free;
Rolling as a mighty ocean
In its fullness over me.
Underneath me, all around me,
Is the current of Thy love
Leading onward, leading homeward
To my glorious rest above.

Oh the deep, deep love of Jesus,
Spread His praise from shore to shore;
How He loveth, ever loveth,
Changeth never, nevermore;
How He watches o'er His loved ones,
Died to call them all His own;
How for them He intercedeth,
Watcheth o'er them from the throne.

Oh the deep, deep love of Jesus,
Love of ev'ry love the best;
'Tis an ocean vast of blessing,
'Tis a haven sweet of rest,
Oh the deep, deep love of Jesus,
'Tis a Heav'n of Heav'ns to me;
And it lifts me up to glory,
For it lifts me up to Thee.

I WILL EXALT

God forbid that I should glory
Save in the cross of our Lord
By Whom the world is crucified
Unto me, and I unto the world.

I will exalt in knowing You.
The Beginning and the End
The great I AM.
I will exalt in knowing You
In your death
And in Your resurrection life.

PURIFY MY HEART

Purify my heart
O Lord
For the pure in heart
Shall see God.

Holy Spirit
Come convince my soul
Make me holy and
Make me whole.

KEEP LORD, BY THY POWER

(INTERCESSION SONG)

Keep Lord, by Thy power
All who are called by Thy name.
Keep Lord, by Thy power
All who are called by Thy name.

Fall upon them O mighty God
Fall upon them with Your strength

HOW GREAT THOU ART

O Lord my God! When I in awesome wonder
Consider all the worlds Thy hands have made.
I see the stars, I hear the rolling thunder,
Thy power through-out the universe displayed.

Then sings my soul, my Saviour God, to Thee;
How great Thou art, how great Thou art!
Then sings my soul, My Savior God, to Thee;
How great Thou art, how great Thou art!

When through the woods and forest glades I wander
And hear the birds sing sweetly in the trees;
When I look down from lofty mountain grandeur
And hear the brook and feel the gentle breeze;

And when I think that God, His Son not sparing,
Sent Him to die, I scarce can take it in;
That on the cross, my burden gladly bearing,
He bled and died to take away my sin.

When Christ shall come with shout of acclamation
And take me home, what joy shall fill my heart!
Then I shall bow in humble adoration,
And there proclaim, my God, how great Thou art!

PRAISE HIM

We have assembled to praise the One we love
We join the chorus of angels up above
Who sing hosannas and praises to our King
We join our voices together and we sing...

Praise Him, praise Him, praise Him, praise Him
Praise Him, praise Him, praise Him, praise Him

We are Your children, we come to seek Your face
We have come boldly, before Your throne of grace
To love and worship You and listen to your voice
You are our Father and how our hearts rejoice...

I STAND IN AWE

You are beautiful beyond description
Too marvelous for words
Too wonderful than comprehension
Like nothing ever seen or heard.
Who can grasp your infinite wisdom
Who can fathom the depths of your love
You are beautiful beyond description
Majesty enthroned above.

And I stand, I stand in awe of You
And I stand, I stand in awe of You
Holy God, to Whom all praise is due
I stand in awe of You.

AMAZING GRACE

Amazing grace, how sweet the sound,
That saved a wretch like me!
I once was lost, but now am found,
Was blind, but now I see.

'Twas grace that taught my heart to fear,
And grace my fears relieved;
How precious did that grace appear
The hour I first believed!

Through many dangers, toils, and snares,
I have already come;
'Tis grace hath brought me safe thus far,
And grace will lead me home.

When we've been there ten thousand years,
Bright shining as the sun,
We've no less days to sing God's praise
Than when we first begun.

COME HIGH

Come high, come high,
I'm bidding you come higher
To heights and depths,
In God you have not known.
Come high, come high,
I'm bidding you come higher
For the Spirit of the living God
And the Bridegroom now
Say come.

SHINE ON US

Lord, let your light, light of your face
Shine on us (repeat)

That we may be saved
That we may have life
To shine our way in the darkest night
Let your light shine on us.

Lord, let your grace, grace from your hand,
Come over us (repeat)

That we may be saved,
That we may have life
To shine our way in the darkest night
Let your grace come over us.

Lord, let your love, love with no end
Fall on us (repeat)

That we may be saved,
That we may have life
To shine our way in the darkest night
Let your love fall on us.

Let your light shine on us.

HOW BEAUTIFUL

How beautiful the hands that served
The wine and the bread and the sons of the earth
How beautiful the feet that walked
The long dusty roads and the hill to the cross
How beautiful, how beautiful, how beautiful is the Body of Christ.

How beautiful the heart that bled
That took all my sin and bore it instead
How beautiful the tender eyes
That choose to forgive and never despise
How beautiful, how beautiful, how beautiful is the Body of Christ.

And as He laid down His life,
We offer this sacrifice
That we may live just as He died.
Willing to pay the price
Willing to pay the price.

How beautiful the radiant bride
Who waits for her groom with His light in her eyes
How beautiful when humble hearts give
The fruit of pure lives so that others may live
How beautiful, how beautiful, how beautiful is the Body of Christ.

How beautiful the feet that bring
The sound of good news and the love of the King
How beautiful the hands that serve
The wine and the bread and the sons of the earth
How beautiful, how beautiful, how beautiful is the Body of Christ.

LEAD ME O LORD

Lead me, O Lord,
And guide me, O Lord
And show me Your way.
Teach me, O Lord,
Reach me, O Lord
I need You every day.

OH LET ME LOVE YOU, LORD

Blessed amazing grace
Saved by His sacrifice
He purchased for me a place
And a name in the Book of Life.
Pure and unchanging love
That rescued my wretched soul
He gave me new life from above
As He's touched me and made me whole.

Oh let me love you, Lord
The way that You love me
All that I am, all that I can,
All I will ever be.
Now and forever,
Now and for always,
Let all that I do
bring glory to you,
Honor and praise.

Mercy that lifted me up
To a life lived within the veil
He made me to drink from a cup
Drawn from a living well.
Robes that have been washed white
And a joy that's unspeakable
You've taken my widow's mite
And returned 12 baskets full.

DRAW ME INTO YOUR BOSOM

Draw me into Your bosom
Consume me in the fire of Your love
Till that perfect stone appears, made in love
Fitly join us together, a heart that beats as one
A Holy habitation, A dwelling for Your son.

CAUSE ME LORD

To Thy throne room I boldly enter
For grace to help in this time of need.
For this Son I command You Lord
That You cause me to embrace the Cross.

You've born me on eagle's wings
As a Father carried me
Now I take hold by Thy grace O Lord
Thy power hid in the cross.
Now to Him Who is able to keep me,
Glory and Honor and Praise.

I place all of my hope in Thee
For that which my eyes do not yet see.
For this work You've begun in me -
Finish now as I embrace the Cross.

Christ the First Born of many brethren
Who yet will follow after Thee,
Embraced the Cross and was raised in pow'r,
Father cause me now to be a Son.

JESUS IS A ROCK

Jesus is a rock, Jesus is a rock, Jesus is the rock of my salvation^
Jesus is a rock, Jesus is a rock, Jesus is the rock of my salvation.
And though the winds may blow and though the sun may shine
Jesus is the rock of my mind

He's a cloud by day and a fire by night, the strength of my mind
And He's leading me on to accomplish His plan...^
He's a cloud by day and a fire by night, the strength of my mind.
And He's leading me on to accomplish His plan.

**ALLELUIA, WORTHY
LAMB**

Alleluia, worthy Lamb most high,
Who sits at God's right hand.
Alleluia, every foe is made
To bow beneath your feet,
As your love slaves speak your Word,
O Lord and King of all the land.

Alleluia, Rose of Sharon,
True Jerusalem above,
Alleluia, Zion blessed with many sons
Now come to birth
You have found in Him a Bridgeroom
Faithful in abounding love.

Praise be to the One
Who fills all life with joy and treasure;
Worship Him, the Oil of Gladness,
Rain that causes us to bear
Fruit eternal now may reap
The harvest without measure.

I LOVE YOU LORD

I love You, Lord
Just because of who You are
You are the Prince of peace
The bright and morning star.
You rule and reign
Over all the universe
In glory, power and love
I love You, Lord.

I love You, Lord
Lord of Lords and King of Kings
Who was and is to come
You make my heart to sing.
Almighty God
Who desires to form and fill and dwell
Within my heart.
I love You, Lord.

**CHANGE MY HEART,
OH GOD**

Change my heart oh God,
Make it ever true.
Change my heart oh God,
May I be like You.

You are the potter
I am the clay
Mold me and make me
This is what I pray.

HIDE ME

Hide me in the secret of your presence Lord,
Where I am hid with You
No longer worried or dismayed by placing
all my trust in You, in You
Hide me in your presence, O Lord,
Hide me in your presence, O Lord,
Hide me in your presence, Lord.

BE THOU MY VISION

Be thou my vision, O Lord of my heart
Naught be all else to me save that Thou art
Thou my best thought by day or by night
Waking or sleeping thy presence my light.

Be Thou my wisdom, Thou my true Word
I ever with Thee, Thou with me, Lord
Thou my great Father, I thy true Son
Thou in me dwelling, and I with Thee one.

Be Thou my battle shield, sword for the fight
Be Thou my dignity, Thou my delight
Thou my soul's shelter, Thou my high tower
Raise Thou me heavenward, O Power of my power.

Riches I heed not, nor man's empty praise
Thou mine inheritance, now and always
Thou and Thou only, first in my heart
High King of heaven, my treasure Thou art.

High King of heaven, after victory won
May I reach heaven's joys, O bright heaven's sun
Heart of my own heart, whatever befall
Still be my vision, O Ruler of all.

GLORY AND HONOR

Glory and honor be unto You, Majesty
Praises and power be unto You, Majesty
We fall down on our knees
We fall down on our knees
We fall down and we worship You King of Kings.
Our delight is in You O Ancient of Days.

DAY BY DAY

Day by day, and with each passing moment,
Strength I find, to meet my trials here;
Trusting in my Father's wise bestowment,
I've no cause for worry or for fear.
He Whose heart is kind beyond all measure
Gives unto each day what He deems best--
Lovingly, its part of pain and pleasure,
Mingling toil with peace and rest.

Every day, the Lord Himself is near me
With a special mercy for each hour;
All my cares He fain would bear, and cheer me,
He whose Name is Counselor and Power;
The protection of His child and treasure
Is a charge that on Himself He laid;
"As thy days, thy strength shall be in measure,"
This the pledge to me He made.

Help me then in every tribulation
So to trust Thy promises, O Lord,
That I lose not faith's sweet consolation
Offered me within Thy holy Word.
Help me, Lord, when toil and trouble meeting,
Ever to take, as from a father's hand,
One by one, the days, the moments fleeting,
Till I reach the promised land.

IN THE WILDERNESS WATERS

ARE BREAKING OUT

The wilderness is glad for us
Hear the desert rejoice
For the sounds of joy and singing we bring
For we can see the glory
The glory of the Lord
In the wilderness waters are breaking out.

Chorus:

Strengthen the weak hands
Confirm the feeble knees
Say to them that are of a fearful heart "Be strong!"
For streams are flowing in the desert
Streams are flowing in the desert
And in the wilderness waters are breaking out!

Now the eyes of the blind are opened
And the ears of the deaf unstopped
Now the lame men leap
And the tongue of the dumb can sing
And in a land so parched and thirsty
Springs of water now abound
For in the wilderness waters are breaking out.

SUMMON YOUR POWER O GOD

Summon your power, O God
Show forth your strength as You have done before
Summon your power, O God
Show forth your strength as You have done before.
O God, (echo) O God.

The chariots of God are tens of thousands
And thousands of thousands
The chariots of God are tens of thousands
And thousands of thousands.

Arise, O God, and speak your Word
And all your enemies shall scatter
The sound of war will soon be heard
A shout, your warriors will answer.

COME MY PEOPLE

Come my people
Those who are called,
Who hear my voice this day.
Enter into thy chamber
And close the door behind thee
Hide thyself for a little while
Until the fury be past.

Chorus:

I will abide in your house forevermore.
I will trust in the shadow of your wings
I will say to the Lord,
You are my hope, my fortress
My God in Whom I trust.

Who may endure the day of the Lord?
Who can stand when You appear?
He that hath clean hands and pure heart
Whose soul is kept by your Truth.
You are like a refiner's fire
And like the fullers' soap.

You shall purify your Sons.
Purge us as silver and gold.
So shall we belong unto You
As offerings in righteousness
He who has this hope in You
Is purified by your Word.

AS THE DEER

As the deer panteth for the water
So my soul longeth after Thee.
You alone are my heart's desire
And I long to worship Thee.

You alone are my strength, my shield,
To You alone may my spirit yield.
You alone are my heart's desire,
And I long to worship Thee.

You're my friend and you are my brother
Even though You are a King,
I love You more than any other,
So much more than anything.

I want You more than gold or silver
Only You can satisfy.
You alone are the real joy giver
And the apple of my eye.

HOLY, HOLY, HOLY

Holy, holy, holy, Lord God Almighty
Early in the morning our song shall rise to Thee
Holy, holy, holy, merciful and mighty
God in three persons, blessed Trinity.

Holy, holy, holy, all the saints adore Thee
Casting down their golden crowns around the glassy sea
Cherubim and seraphim, falling down before Thee
Which wert and art and ever more shall be.

Holy, holy, holy, though the darkness hide Thee
Though the eye of sinful men Thy Glory may not see
Only thou art holy, there is none beside Thee
Perfect in power, in love and purity.

Holy, holy, holy, Lord God Almighty
All Thy works shall praise Thy Name in earth and sky and sea
Holy, holy, holy, merciful and mighty
God in three persons, blessed Trinity.

BATTLE HYMN OF THE REPUBLIC

Mine eyes have seen the glory of the coming of the Lord;
He is trampling out the vintage where the grapes of wrath are stored;
He hath loosed the fateful lightning of His terrible swift sword;
His truth is marching on...

Glory, glory, hallelujah!
Glory, glory, hallelujah!
Glory, glory, hallelujah!
His truth is marching on.

He has sounded forth the trumpet that shall never call retreat
He is sifting out the hearts of men before His judgment seat
Oh, be swift, my soul, to answer Him! be jubilant, my feet!
Our God is marching on.

In the beauty of the lilies Christ was born across the sea;
With a glory in His bosom that transfigures you and me.
As He died to make man holy let us live to make men free,
While God is marching on.
