

## CHURCH PROPHECIES from Jackie Lewis

6-9-2024

Yea, I say unto My children, Are things so good with you? Do you feel every morning when you wake up: everything's great, everything's fine, My Savior is here with me? Do we really think everything is so good? Come, My children; come to Me more. Come to Me more and everything will be so much better. Come with those things that you've never even thought that you would need to, because now it's a different time. Now is the roughest time you've ever had; you're coming into the battle and you need Me—you need Me.

And do I not bring the sun up every morning, and do I not bring the moon at night, every night? Oh, I am here. I am here. I am here with you.
